

Thank you for your interest in membership in the Chicago Suburban Antiques Dealers Association. Visit the CSADA website for a list of current members and more information about our association: [csada.com](http://csada.com). Fill out the application and return at your convenience.

Please note that 5 years in business is a requirement for membership consideration. Also indicate where your merchandise may be seen in the near future (shops, website or upcoming shows). It is advantageous to use current members of CSADA who are familiar with your merchandise as references. Please ask their permission before doing so.

The success of CSADA is dependent upon the efforts and talents each member brings to the organization. As such, members are expected to take an active role. Membership entitles the member to website listings, brochure inclusion and discounted booth rents.
